Looking for more diffusing options?

Then you're in luck, because we have just expanded our diffuser line to include two new innovative diffusers. These new options join our classic, cold-air diffuser to give you even more choices when you diffuse Young Living essential oils.

TRAVEL FAN DIFFUSER

The Travel Fan Diffuser is capable of diffusing any essential oil. It uses a quiet but powerful mini fan and all-natural high-density essential oil pads, and has output that can fill a room as large as 1,000 square feet.

The Travel Fan Diffuser comes with one lavender essential oil (5 ml).

Retail \$46.05 / PV 15

ULTRASONIC DIFFUSER

The Ultrasonic Diffuser is an essential oil atomizer that can diffuse any essential oil from lavender to sandalwood.

Using an optimal frequency, Young Living's Ultrasonic Diffuser atomizes cold water and essential oils, breaking up molecules into a microscopic mist. This new model also offers a deeper well, enabling longer more continuous diffusing without frequent refilling.

The Ultrasonic Diffuser includes one lavender essential oil (5 ml) and one Citrus Fresh™ essential oil blend (5 ml).
