## FOR IMMEDIATE RELEASE

### Thieves Foaming Hand Soap: A Step Above the Rest

**Lehi, Utah**—Thieves® Foaming Hand Soap is one of the newest additions to Young Living Essential Oils' line of Thieves products. Formulated with all-natural ingredients, Thieves Foaming Hand Soap contains Young Living's Thieves essential oil blend, a potent combination of clove, cinnamon, rosemary, *Eucalyptus radiata*, orange, and lemon essential oils. This specialized formula serves a protective barrier long after washing your hands. Vitamin E, aloe vera, and *Ginkgo biloba* have been included to condition and protect the skin and restore moisture. Liquid hand soaps often contain harsh antibacterial properties that contain harmful chemicals and fragrances. Thieves Foaming Hand Soap is a natural, safe alternative to traditional hand-cleansing products. Plus, it has been dermatologist tested and proven to be suitable for use by children and adults, including those with sensitive skin.

### Young Living Corporate Overview
