FOR IMMEDIATE RELEASE

Young Living's 2007 Annual Grand Convention—Another Success

Lehi, Utah—Young Living Essential Oils' 2007 Annual Grand Convention, held in Washington DC in September, brought thousands of people from across the United States and around the world together for three days of exciting presentations, educational sessions, and the opportunity to learn more about Young Living's business opportunities.

Four new products were launched including Inner Defense™, which has been designed to strengthen the immune system*; Life 5™, a probiotic that builds and restores intestinal health*; True Source, a daily whole food multivitamin; and Thieves® Waterless Hand Purifier, an all-natural hand cleanser that eliminates germs.

Life 5 and True Source will be added to existing Young Living products (Balance Complete™, Omega Blue™, Longevity™, and NingXia Red®) to form the new Core Essentials Complete™ Autoship Pack. This all-inclusive collection rounds out the core building blocks of total wellness provided by Young Living.

In addition to the debut of new products, Gary Young, founder and president of Young Living Essential Oils spoke about the progress being made at the newest Young Living farm in Guayaquil, Ecuador. Dani Johnson, keynote speaker and founder of Call To Freedom Int'l, wowed individuals with her passion and ability to motivate the growing business builders around her. Activities for guests included a product and education expo, an essential oil spa, and an extravaganza celebration honoring Young Living distributors. As a yearly event, Young Living's 2008 Grand Convention will be held in Salt Lake City, Utah, from June 11 through June 14 at the Salt Palace Convention Center.

Young Living Corporate Overview
