Young Living Essential Oils Named As A Top 15 Revenue Company

Lehi, Utah—Utah Valley Business Q named Young Living Essential Oils no. 7 in its annual list of the top 15 revenue companies in Utah Valley. This ranking was based on 2007 annual revenue.

When asked by Utah Valley Business Q to provide his secrets to Young Living's continued financial success, Young Living Founder and President, D. Gary Young, said, "Splurge on your employees and cut back on expenditures and ostentatious displays of wealth in business and personal lifestyle." Young's example of personal and business integrity is also evident in his advice to other business owners. He says, "Be honest, even when it challenges you financially."

Young Living is thrilled to be recognized in the company of other tremendous organizations featured in this issue, and is excited to serve as an example for other burgeoning businesses.
